

Art in the Book Heaven

Find the following Helsinki Art Museum HAM works of art on Oodi's third floor. Tell the story of each of the art works. You can use the following questions as a help while telling the story. All the art works have to appear in the story and the story has to be coherent with a clear start and ending. You can write the story next to the pictures or on the reverse side of the paper. To tell the story you may also use alternative methods, such as photography or video.

1. **Korkeasaari Jouko** (b. 1971)
Lähiörodeo (Suburban Rodeo), 1999 (sculpture, leather, gold paint and glitter)

Nothing can stop Jane Weston's success any longer. She had made all the necessary moves and the future looked gorgeously adorable. So far, the escape had succeeded beyond expectations.

2. **Helle Emma** (b. 1979)
Tyttö, Joka Muuttui Ruusupensaaksi (The Girl Who Turned into a Rose Bush), 2018 (sculpture, glazed and gilded ceramics)

The courtyard of a deserted villa, found by Jane in the middle of the desert, was full of beautiful and peculiar plants. Each more beautiful than the other, and the colours of the plants glowed under the red sunset. "This should work as a place to sleep in.", Jane muttered.

3. **Martola Janne** (b.1977)
Kristallikallo (Crystal Skull), 2009 (sculpture, clay, ink, acrylic, plastic)

Both ruthless midday sun and a revolver barrel, which pointed at Jane, made sweat fall down on her forehead. "Where's the skull?" snarled the person threatening her. Despite her efforts, Jane couldn't help but look...

Are you able to find more works of art on the third floor that could be associated with the story?
